WORLDWIDE NONVIOLENT RESISTANCE TO ELITE CONTROL _ THE GREAT RESET

Why Refuse Covid-19 Experimental Injections, Tests and Passports? Why Choose Natural Health?

The Covid-19 tests have been widely discredited by independent scientists and the experimental injections are causing enormous harm while killing thousands of people already. In the European Union alone, **more than a million people had suffered injury from Covid-19 injections and more than 12,000 had died by 31 May 2021.** Moreover, there is considerable evidence that the injections will cause massive deaths.

Separately from the death and injury toll, there is mounting evidence that the injections (either now or in the immediate future) **will include nanotechnology** that will subvert your individual identity, freedom, dignity, volition and privacy; including through a **'digital vaccine passport'** (possibly delivered via a microneedle platform using fluorescent microparticles called 'quantum dots', which can deliver vaccines and at the same time invisibly encode vaccination history directly in the skin).

Non-injected 'vaccine' passports are already being used to create a two tier society that discriminates between those who have been injected and those who have not. In some countries this includes whether or not a person is allowed to visit a supermarket.

You may be aware of the evidence that **vaccines are usually contaminated with heavy metals** and other poisons. There is extensive documentation of the long history of vaccine injury: **billions of dollars have been paid out in compensation to vaccine-injured people** (mostly by governments, because pharmaceutical corporations are often exempt from prosecution for damage and deaths caused by vaccines.) Pharmaceutical corporations have also paid out **billions of dollars in fines for fraudulent marketing** of their products of all kinds, but their profits are such that this is just an acceptable 'cost of doing business' (even if it compromised your health or cost someone you loved their life).

Your right to refuse medical procedures was enshrined in international law as one worldwide response to the Nazi doctors in World War II who conducted medical experiments on prisoners.

If you **look after your health through natural health care modalities**, and, most importantly, by eating organic, unprocessed food, you can give your body and mind what they need to function well. Your body will be able to heal, and be strong and disease-free, if you give it what it needs and avoid poisoning it with toxic medications or food contaminated with unnatural substances, herbicides and pesticides.

Can you **support your natural health care providers**, and **if you are a provider**, stay open during lockdowns to help keep us all genuinely healthy?
